Experiment No: 4	Date:	Enrollment No: 92200133005

AIM: Develop a web application which involves database operations using Express.

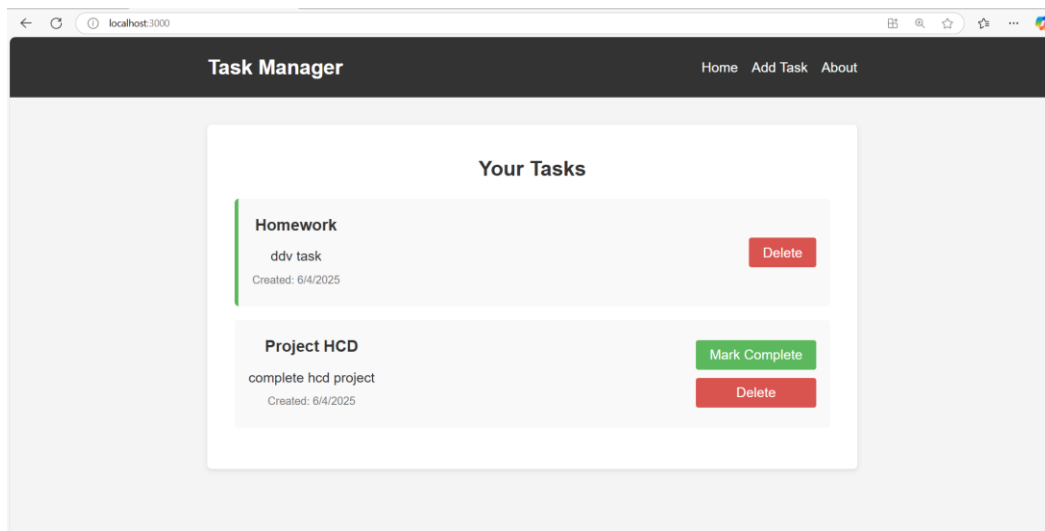

CODE:

// se

OUTPUT:

The screenshot shows a web browser at localhost:3000/add. The page has a dark header with 'Task Manager' and navigation links 'Home', 'Add Task', and 'About'. The main content area is titled 'Add New Task' and contains two input fields: 'Title' with the value 'Project HCD' and 'Description' with the value 'complete hcd project'. Below the fields is a dark 'Add Task' button.

The screenshot shows the 'Your Tasks' page in the Task Manager application. It displays a list of two tasks: 'Homework' with description 'ddv task' and 'Project HCD' with description 'complete hcd project'. Both tasks were created on 6/4/2025. The 'Homework' task has a red 'Delete' button. The 'Project HCD' task has a green 'Mark Complete' button and a red 'Delete' button.
